Name \_\_\_\_\_ Date \_\_\_\_\_

**“If the big rocks don’t go in first, they aren’t going to fit in later.”  
-Stephen Covey**

If you fill your jar with pebbles and water first, you won’t have space for your big rocks. How will you fill your jar everyday of your life? Write your priorities in each jar.

**Rock Priorities**—things you **HAVE** to do that should be done first.

**Pebble Priorities**—things you enjoy and want to do.

**Water Priorities**—the little things that fill your time but don’t need to be scheduled.
